Advertising an Art. Always the Best. It is an undisputable fact, that wise and udicious advertising pays, and to write an ad." that will catch the eye and pocketbook together, is really an art. There is no firm that fills a space with more attract-ive matter and better results than does Starkey & Scowden. They advertise to the point, tell what they have, and convince people that their store is the place to buy boots and shoes. Remind people what they want when they need it, and then the goods are sold. Starkey & Scowden, the Aread best and shoe house, have a splendid "ad." in to-day's liver mac, and offer some splen did bargains. Read it over.
